Wakatipu HIGH SCHOOL

EXTRACURRICULAR
ACTIVITIES AT WHS

Our vision is for 'Aotearoa New Zealand's best all-round education'. Extracurricular activities play a large role in achieving this vision and are an important part of a student's wellbeing and life at WHS. Participation in extracurricular activities helps our students to build connections, a sense of whanaungatanga and belonging.

We strongly encourage all students to get involved in something either at, through or outside of school - there are over 70 activities to choose from across Arts, Sports, Cultural, and more.
